

# Interested in using the Community Room?

Great! Here is all you need to know to submit your request.

The Community Room is used for Whole Foods Market events such as Kids Club, guest speakers, workout classes and more. Visit [wfm.com/domain](http://wfm.com/domain) to see the full store calendar in detail.

When the room is not in use by the store or Whole Foods Market® partners, the space is open to all guests and Team Members!

## Community Room Guidelines

- Please leave doors to the Community Room open unless you have a confirmed reservation.
- Only food and beverages purchased inside Whole Foods Market are permitted in the Community Room. See the Concierge Desk if you are interested in placing a catering order for your reservation.
- We ask that you are responsible for returning the room to its original state if you have moved tables and/or chairs.
- Whole Foods Market is not responsible for any personal items that may be lost or stolen from the Community Room. Please do not leave any personal items unattended.

## Community Room Requests
