

## *Whole Foods Market 5% Days*

Whole Foods Market is proud to give back to the community! Four times a year, each store sets aside a day on which 5% of that store's sales is contributed to a local 501(c)3 non-profit organization.

You might be asking, "With so many terrific groups in the Duluth-Johns Creek area, how does Whole Foods – Duluth Johns Creek decide who gets to reap the benefits of a 5% Day?" Well, it's not easy!

First, your group **MUST** possess and provide us a copy of a 501(c)3 letter verifying that you are a tax exempt non-profit organization. Second, fill out the attached application—give us as much information as you can! We want to help, but we want to help a group that is going to benefit the most from a contribution, and that will put the funds to good use. (We also want you to work equally as hard as we will in promoting and getting the word out about your group leading up to 5% Day, so slackers need not apply!) Finally, our Team Leaders vote on the submitted applications and, as a group, we decide which organization will be the beneficiary of a Whole Foods Market 5% Day. It's important to us that we choose to work with an organization that fits in with our immediate community and that is in line with the Whole Foods Market philosophy: Whole Foods, Whole People, Whole Planet.

We look forward to hearing about your organization, and hope that we can help in the future.

Please submit the following application, along with a copy of your 501(c)3 letter to Customer Service at our Duluth-Johns Creek location, or fax it to 678-514-2410, attention: **Monique Davis**, Marketing Team Leader.
