DONATION REQUESTS

Whole Foods Market Durham is dedicated to helping non-profit organizations **in our local community** that have grand intentions coupled with small budgets. Our giving program supports organizations that address community issues such as hunger, poverty, organic and sustainable agriculture, animal welfare issues, environmental concerns, and health and human services, among others. Political organizations are not eligible for donations out of respect for the wide variety of beliefs of our customers.

Donations from Whole Foods Market are not available in the form of cash; donations will be given in the form of product from our store or as a Whole Foods Market gift card. Non-profit organizations are invited to apply for a donation in the form of gift cards, catering platters, gift baskets, and in-kind donations such as bottled water, sodas, fruit, et cetera. Alcohol cannot be given as a donation in North Carolina. Organizations must apply at least 4 weeks in advance of when they require the donation.

The average donation is in the amount of \$25 - \$50. Sponsorship level donations will be considered but are usually offered on a regional, rather than store, level. If you'd like more information about these opportunities, don't hesitate to ask.

Any eligible **local Durham area** non-profit organization may apply for a donation once every six months, but priority will be given to a group that has not benefited within the past year. A previous donation does not guarantee a donation will be offered again for a specific event or donation amount.

To apply for a donation, please fill out the following application in full. The applying organization must include a copy of their organization's non-profit tax ruling from the IRS in addition to providing a 501(c)3 tax id number on the form. Please attach a copy of your ruling to each application you submit. Incomplete applications will not be considered – please insure your form is complete before submitting.

DONATION REQUEST FORM

We appreciate our customers' involvement in all the many local non-profit organizations who provide for the needs of our community. Each individual Whole Foods Market has a budget with which to support these projects, most often with donations of food or gift certificates for specific events. **Only requests submitted 4 weeks prior to the event date will be considered.** Our store team members need adequate time to fully evaluate the allocation of funds on a monthly basis.
