

Midwest Region Donation Guidelines

At Whole Foods Market we strive to support local nonprofit organizations and causes. The most common way is by donating gift cards or food for special events. Additionally, we offer a Scrip Gift Card Program where participating organizations purchase gift cards from Whole Foods Market for face value minus 5%. Then the organization sells them at face value and keeps the profit.

Each store keeps a monthly Donations Budget. Due to the volume of applications we receive, we regret we cannot grant every request. **We evaluate applications based on the following guidelines:**

1. **The recipient must be a 501c3 nonprofit organization. A copy of the 501c3 letter from the IRS must accompany the application in order for your request to be considered.** This letter comes from the Treasury Dept. and is different from a state tax-exempt form.
2. The application must be received at least six weeks before the 'pick up' date in order to be considered. Applications are reviewed on a first-come, first-serve basis. Because the Donations Budget is limited, early submission of your application is recommended.
3. The organization must fall into one of the categories Whole Foods Market supports:
 - Environmental Preservation
 - Preventative Health Care and Wellness
 - Hunger Relief
 - Organic Farming/Sustainable Food Resources
 - Arts and Education
4. We do not donate to individuals, individuals seeking pledges, multiple requests from the same organization or organizations and/or causes outside of the (store) area. Past support of an organization or an event is not a guarantee of future support.
5. Due to the overwhelming number of donation requests, **only those organizations whose donations can be filled will receive a call back.**

Please attach any relevant literature. Requests by phone are not accepted. Submit this form to the *one* store location closest to the community that your organization serves. Please do NOT turn in a donation request to multiple stores for consideration.

Although we would like to support every worthwhile cause, due to the volume of applications, it is not possible for Whole Foods Market to fulfill every request. Each approved organization is restricted to one donation per year.
