Donation Application

Whole Foods Market has a monthly donation budget for local, community based non-profit organizations. In general we donate to non-profit organizations that reflect our core values of creating sustainable agriculture and environmental stewardship, ending hunger and bettering nutrition, supporting preventative and holistic health care, and education within these areas.

Your completed application must be received at least 30 days in advance of your event's date in order to be considered by our donation board. Please include your IRS letter of determination with your 501c number and proof that you are a non-profit organization supporting our core values. Applications that are not completed in full will NOT be considered. The donation board meets the first Friday of every month and will contact your organization and contacts approved organizations following that meeting.
