

Bag Refund Program Application

At Whole Foods Market, we are active participants in our community. We are extremely proud of our community involvement and the relationships that we continue to make each month! Our Bag Refund donation program is one meaningful way we are positively impacting our community. Each quarter, Whole Foods Market Redmond selects three non-profits to be beneficiaries for our Bag Refund program. For each bag re-used, guests can claim a ten cent deduction off their grocery bill, or they can choose to apply your refund to one of the non-profits.
