

Dear Donation Seekers:

We ask that you look over the following criteria before submitting your request.

1. Requests by phone are not accepted.
2. The recipient must be a 501-C (3) nonprofit organization. A copy of the 501-C (3) letter from the IRS must accompany the application. This letter comes from the Treasury Department and is different from the state tax-exempt form.
3. The application must be received at least **90 days** before the event date and of the “pick up” date in order to be considered. All applications are reviewed on a first-come-first serve basis. Because the donations budget is limited, early submission of your application is recommended. Due to the volume of requests we receive, we are not able to respond to all requests.
4. Whole Foods Market has specific guidelines for the organizations we are able to support with donations. In addition to being a non-profit, you must fall into one of these categories:
  - Environmental Preservation
  - Preventative Health Care
  - Hunger Relief
  - Organic Farming / Sustainable Food Resources
  - Education
  - Because Whole Foods Market believes in being an active community member, requests from other civic and charitable groups will be considered if the organization is in the immediate vicinity of a store location, meets our core values, and funding is available.
5. We do not donate to individuals, individuals seeking pledges, or multiple requests from the same organization or organizations and / or causes.
6. Past support of an organization or event is not a guarantee of future support.

Although we would like to support every worthwhile cause, due to the volume of applications, it is not possible for Whole Foods Market to fulfill every request. We will contact the organizations that will receive contributions.

Thank you for your interest.
