## Store Tour Request

**Let us show you around!** We are always excited to introduce adults and children ages 5 and up to our store. Whether you have a school class, scout group or club, we have a tour for you! Tours have a standard format, but can easily be customized to meet your particular needs. Should you have requests, please provide details about specific subjects we should cover. **Please note: We ask that you limit the group to 20 adults or 20 children with chaperones so that everyone can see, hear and move through the store easily.**

*Please print clearly*

Dear Parent or Guardian:

Whole Foods Market is excited to introduce participants to our store! During a tour of the store, participants will have the opportunity to sample various products and food items offered in our store, as well as receive a “goodie bag” to take home. We realize that there are numerous children with various food allergies, some of which can be severe. Also, there is a wide array of dietary preferences that we value. In an effort to do our best to fully protect and respect the children that join us for a tour, we are providing a list of things that you may want to be aware of. If your child is allergic to anything that may be included in the list or if you do not want your child to have certain food products, please let the trip organizer know immediately. We will make the appropriate changes to the tour.

Goodie bags may include the following:

- Fruit in season
- Fruit leather
- Fruit juice box
- Raisins
- Applesauce
- Soy milk box
- Cookies
- Chips

Samples provided in store may include:

- Fruit in season
- Dried fruit
- Cheese
- Breads
- Cookies
- Chips
- Hand lotion
- Bulk mixes (granola, trail mix, etc.)

Thank you,

# Jennifer McCormick
