Dear Donation Seeker:

Thank you for your interest in obtaining a donation from the Santa Rosa Whole Foods Market for your event or organization. Whole Foods Market is proud to support our neighborhood organizations to jointly meet the needs of our community.

Recipients must be a 501-C(3) nonprofit organization. A copy of the 501-C(3) letter from the IRS must accompany the application. The application must be received at least 45 days prior to the event date and the "pick-up" date in order to be considered. Because the donations budget is limited, early submission of your application is recommended and all applications will be reviewed on a first-come, first-served basis. Please do note that although we would like to support every worthwhile cause, due to the volume of applications, it is not possible for Whole Foods Market to fulfill every request.

Whole Foods Market Santa Rosa has specific guidelines for the organizations that we are able to support. In addition to being a nonprofit, you must fall into one of these categories:

- Environmental Preservation
- Preventative Health Care
- Hunger Relief
- Organic Farming/Sustainable Food Resources
- Arts and Education

Because Whole Foods Market Santa Rosa believes in being an active community member, requests from other civic and charitable groups will also be considered if the organization is in the immediate vicinity of a store location, meets our core values, and funding is available.

Thank you again for your interest.
