

## One Dime at a Time Recipient Application

### *About One Dime at a Time\**

Whole Foods Market gives 10 cents per bag to customers who re-use their own shopping bags for their purchased groceries. This program reduces our impact on the environment and now supports local non profit groups. Customers will have the choice to accept their cash refund, or donate the cash back to the store's chosen non profit organization.

### *About the Application Process*

Organizations will be selected for a set time frame (monthly, bi-monthly, quarterly: depending on store location) and will be notified at least six weeks prior to the start of their awarded month. Organizations can only be selected to participate once every 12 months.

Organizations are expected to promote the event through their web site, e-mail blasts and additional promotional vehicles as appropriate and must be a designated 501c3 non-profit organization to be considered for this program.
