Whole Foods Market strongly believes in supporting our local communities. Once per quarter, we sponsor a registered charitable organization as our 5% Day beneficiary. On this designated day, the charity will receive 5% of Whole Foods Market Yorkville's gross sales. This is a wonderful opportunity for us to team up with organizations to help them achieve their fundraising goals!

Whole Foods Market will promote 5% Day in our widely distributed monthly newsletter, on our website and in-store. To be a 5% Day beneficiary, you must provide a staffed information booth on 5% Day. We encourage you to promote the day through your organization as well. Please take a moment to fill out the following form and forward your request directly to the Marketing Department. We will contact you with further information.
